Hello, my name is Rick Middleton. My address is 4520 Renner Road, Waldorf, Maryland. 20602. I am writing to you in regards of Rick's Place. I have known Rick and Carol for over twenty years. They are both good and hard working people. I was disappointed to hear the news that a few people were trying to shut down his productive business. I cannot understand why his customers are now becoming a problem after fourteen years of business. There is no reason for all of the debate. His business is a necessity to Southern Maryland. They provide a great service. Thank you for your Consideration in this matter.
